Business Banking

Resources to manage your business efficiently.

From Small Business Checking to comprehensive Commercial Cash Management Services, Capital Bank is your partner in tailoring the right financial management solutions for your business.

Commercial Cash Management Services

A growing business has complex banking needs. Commercial Cash Management offers everything from real time online account information to ACH payroll processing and online wire transfers. Enjoy greater functionality and establish controls to execute stop payments, ACH transfers, funds transfers and more. Along with management of employee security rights in a multiple user environment, Commercial Cash Management is flexible and easy to use.

Positive Pay

Minimize risk with this automated fraud detection tool! Simply transmit a file of issued checks to the bank each day. When checks are presented for payment, they are compared electronically against the list of transmitted checks. Checks presented that do not have a "match" are sent to you for review. You then instruct the bank to pay or return the check. Easy, simple, secure!

Remote Deposit Capture

No more driving, no more lines! Remote Deposit Capture utilizes a desktop scanner in your office that connects to a PC and to the Internet. Easily convert checks received from your customers and make deposits electronically to the bank any time, day or night and with extended processing time you can make deposits until 5 PM! Reduce costs associated with driving to the bank, paying employees to leave the office, and eliminate courier fees.

Small Business Online Banking

Perfect for small businesses. Free Small Business Online Banking allows you to monitor account activity, transfer funds, make loan payments and check account balances. With the added option of eStatements and Notices you can view one year of statement history and up to 90 days of check image history online. Do all this and more whenever you want, all from the convenience of your office or even the comfort of your home.

Small Business Bill Pay

No more stamps! Free Bill Pay with unlimited payments for small business customers saves you time and money!

Capital Connection

No Internet access? Try Capital Connection; free, easy and convenient. Capital Connection, our 24/7 automated customer service center gives you access to your account balances and history, allows you to initiate loan payments and transfer funds between accounts.
